SUBJECT: *Import policy for Art Silk Yarn for the year April 1962—March 1963.*

No. 97-ITC(PN)/62.—Attention of the importers is invited to remark vi(b) against S. No. 177/IV in Section II of the current Red Book according to which sales of artsilk yarn imported against quota licences can be effected only on the directions of the Textile Commissioner, Bombay and at prices not exceeding those to be specified by that authority.

2. It has been represented that the allottees in the Handloom Sector are finding difficulties in obtaining deliveries of artsilk yarn from established importers. The established importers are, therefore, requested to make prompt supplies of imported Art Silk Yarn to the allottees and they should ensure that artsilk yarn imported by them is not sold in the open market without obtaining prior permission from the Textile Commissioner, Bombay, as the infringement of this condition will make them liable to action under the Imports and Exports (Control) Act, 1947.
